Soalan: Apa yang harus saya lakukan jika ketahuan berselingkuh oleh pasangan?

Jawaban: Ini berarti Anda sedang sial. Tapi asal tahu saja, beruntung bagi pasangan Anda untuk mengetahui perselingkuhan itu sekarang dibanding nanti. Ini mungkin berarti, hubungan Anda dan pasangan belum siap untuk menjalani sesuatu.

Komentar Gw: "wah ini yang jawab tidak mendidik!!! masak ketahuan selingkuh dijawab sedang sial!!! jaman udah edan tapi jangan beri jawaban edan donk!!!! "

Bila udah ketahuan, itu emang deh kayaknya jadi ginian.

Poll I setup at the right sidebar to collect data about men perception to women who loss their virginity before married, 60% respondent voted, their concern so much about virginity and show no compromise about that issue. In another word their only

marriage to girls with never has experience sex before and will considering divorce them to the next day if his wife fail to show her virgin blood on white mattress liner. Total votes so far is 29,735 people come from many countries while 40% of them voted no problem to accepted girls as his wife even their girls loss virgin to another men.

So from that figure my conclusion is virginity is so important to men needs and below is other reason why virginity is so important?

1. Because it's the added value of not being touched by

another. The exclusivity and the innocence. Men going to assume the virginity and the loss of it are within the moral bounds of a marriage, which is what men can only consider.

2. The difference between a virgin and a none is a single night and usually not of the most pleasant experiences for both.

Many women have learned a lot from their previous marriages and as such pose a much more attractive candidate for a man focused on personality and attitude more so than the previously explained virtues of virgins that I feel shouldn't be exaggerated in isolation of the other parameters of what makes good wife-material.

Jika anda prihatin dengan dunia sekeliling dan peka dengan apa yang berlaku, pastinya pernah mengalami situasi berdepan dengan masalah kawan-kawan anda atau diri anda sendiri yang ditinggalkan isteri. Jadi ini adalah pendapat saya kenapa ya orang perempuan nak tinggalkan anda? Kenapa isteri sanggup tinggalkan anda keseorangan? Dari apa yang saya lihat faktor kewangan yang mana mendapat suami malas kerja atau taknak kerja jenis tulang reput selalu sangat diperkatakan orang punca anda ditinggalkan. Dalam hal ini saya tida mahu mengulas panjang lagi pasal ni kerana kita semua sudah maklum ianya memang sebagai punca utama.

Kebanyakan orang perempuan sanggup meninggalkan anda

kerana anda dilihat tidak lagi boleh diharap sebagai pemimpin dan ketua keluarga. Anda dilihat lemah terutama berdepan situasi bila isteri anda cuba dipikat oleh suami orang lain, duda atau orang bujang. Terlihat kelemahan anda bila mana 100% kesalahan anda letakan kepada isteri kononnya suka melayan, hakikatnya anda lupa isteri anda tu cantik dan bergetah orangnya. Jadi anda sebagai suami terlepas pandang setiap masa patutnya jaga isteri anda dan dilihat selalu bersama, bahagia dan sudah berpunya. Zaman sekarang lelaki Melayu tak kira sangat dah baik perempuan tu isteri orang, tunang orang atau awek anda, mereka selamba cuba pikat dan rampas.

Bak kata orang bijak pandai, usaha untuk mencapai kejayaan tidaklah sesusah untuk mengekalkan kejayaan itu bagi ianya bertahan lama. Jadi sebagai suami anda tidak boleh leka, mengabaikan isteri anda sepi keseorangan tanpa perhatian. Sayangilah mereka macam baru-baru kahwin dulu. Anda sebagai lelaki jagalah badan juga dengan selalu bersenam, supaya dilihat gagah, sihat dan kuat bila berdua berjalan mesra disamping isteri.

Jadi kesimpulannya apakah petunjuk yang menjadikan seseorang lelaki itu dilihat power?
